Objective Statement

Passionate and motivated Front-End Developer with a strong foundation in graphic design. Experienced in creating visually appealing designs and proficient in front-end technologies. Seeking to leverage my skills and knowledge to contribute to dynamic projects and advance within the field of front-end development.

Skills

Proficient in:

HTML | CSS | Bootstrap | JavaScript | jQuery | React

Tools:

Git & GitHub | Figma | Illustrator | Photoshop

Education

edX | Front-End Development Bootcamp University of Birmingham

November 2023 - March 2024

- Applied fundamental web development concepts using HTML, CSS, and JavaScript.
- Developed visually-compelling page layouts following UX design principles.
- Utilized Git and GitHub for code versioning and collaboration.
- Created interactive web applications using jQuery and React.
- Deployed applications using Netlify.

Hull School of Art & Design | BA (Hons) Graphic Design

Upper Second class honors (2:1)

September 2006 - May 2008

Hull School of Art & Design | HND Graphic Design Merit

September 2006 - May 2008

Projects

Online Portfolio

Developed using HTML, CSS, Bootstrap, JS and React. Hosted on Netlify.

Concert Weather Checker

Check the weather for an upcoming concert or event. Built using OpenWeatherMap and Ticket Master APIs.

Quiz Game

A quiz game with a points system and timer. Also the ability to save your score to a leaderboard.

Password Generator

Generate a password with the options to include uppercase, lowercase and/or special characters.

Work Day Scheduler

Input your schedule for the working day using localStorage.

Team Profile Generator

Generate a webpage with your team's data based on prompts in your CLI.

Experience

RMC Digital Print | Prepress Manager

March 2014 - Present

- Prepared artwork for print, ensuring quality and accuracy.
- Managed prepress operations and coordinated print jobs.
- Demonstrated strong attention to detail and organisational skills.

Interests

- Photography
- Keeping up to date and informed on the ever changing world of the tech industry.
- Staying active, whether that be at the gym or getting outdoors for a walk.
- Always keen to participate in sports and try out new things.
